**Holiday Pick Up Schedule**

The only holidays that our drivers do not work are Christmas Day and New Years Day. During those weeks, when the holiday falls on a weekday, pick up will be delayed from the holiday through the end of the week. Please see below for info on pick up schedules for the Christmas and New Years holidays this year:

If your regular pick up day is:	Then your pick up will be:
Monday	Monday
Tuesday	Wednesday
Wednesday	Thursday
Thursday	Friday
Friday	Saturday

**There is no delay in collection the week of Thanksgiving.**

Please make sure all materials are curbside by 6am on your pick up day, especially during these modified holiday schedules.

**2019 collection calendars available online after Dec. 31, 2018**

In the interest of reducing paper waste, we do not automatically mail out collection calendars each year. If you prefer to have your calendars mailed to you, please contact our office by phone or e-mail and we would be happy to mail or email calendars to you. We mail calendars out by request only.

The online calendar lookup on our website will be updated with 2019 calendars after December 31, 2018.

**Christmas tree recycling**

If you have yard debris service with us and would like to dispose of your Christmas tree, you can put out your tree in your yard debris cart on your scheduled yard debris day. Put the tree out inside your yard debris cart (or in place of your cart) and have it picked up at no charge. If you put the tree out in addition to your yard debris cart there is an extra fee. If you do not have yard debris service, please call the office to make arrangements for your tree removal.

All trees over 5 feet must be cut in half. If the tree is over 4' wide, it also needs to be cut down. All lights, ornaments, etc. must be removed. Wreaths are accepted if all wire framing and decorations are removed. Flocked trees are not accepted as yard debris but can be picked up as garbage.

If you are having a non-profit organization pick up your tree, please do not schedule that pick up on your Pride Disposal pick up day to avoid any confusion.

## Extra garbage, recycling, or yard debris?

**Extra Garbage:** Any garbage that does not fit within your cart may generate a charge. If the lid on your cart cannot close due to extra garbage or there are extra bag(s), that extra material will generate an extra charge. If you regularly have extra garbage, it may be more cost effective for you to get a larger garbage cart.

**Extra Recycling:** There is no charge for extra recycling. Extra recycling can be placed inside a cardboard box or paper bag next to your cart. Extra cardboard needs to be flattened and cut into pieces no larger than 3' x 3'. If you have a significant amount of extra recycling, please contact our office in advance. If you regularly have extra recycling, we can provide an additional recycling cart at no charge.

**Extra Yard Debris:** Any yard debris that does not fit within your cart may generate a charge. If the lid on your cart cannot close due to extra yard debris or you have extra material on the side, that extra material will generate an extra charge. Extra yard debris can be placed in heavy-duty paper yard debris bags or personal cans. Do not use plastic bags, even if labeled "compostable" or "biodegradable" as they are not accepted in the yard debris. Make sure to use your Pride cart first, before placing out extra bags or personal cans. If you regularly have extra yard debris, it may be more cost effective for you to get an additional Pride yard debris cart, provided for a monthly fee.
