Glass & Motor Oil Recycling Tips!

Glass bottles and jars can be placed in your red bin for recycling but cannot go in your blue lidded recycling cart. Bottles and jars are the only glass material that is acceptable for recycling. Discard all lids and corks. Do not include unacceptable glass such as mirrors, windows, plates, ceramics, drinking glasses, etc. The glass in those items is different and cannot be mixed with bottles and jars for recycling.

Motor oil is picked up on the same schedule as your glass recycling. Motor oil must be in a see-through 1-gallon container with a screw top lid (like a milk jug) and cannot be mixed with any other fluids. Motor oil is the only fluid accepted curbside for recycling. Even if you do not have glass to put out, if you're putting out motor oil you should still put it in your red bin or next to it. That way it's easier for the driver to see. A jug of motor oil can be easily missed by the driver if it's not out with the red bin.

DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Document Shredding also has a new website and even has a new web address! We can now be found at: www.prides shred.com

Pride Document Shredding offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$5. Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you.

Please call Pride Document Shredding at 503-625-0725 for pricing and other information on services available. You can also visit our website: www.prides shred.com
