No, you can't recycle these items at the curb

It is better for the overall recycling system to err on the side of caution. If you're not 100% sure if an item is recyclable, it should not be included. Contact us if you are unsure about anything.

Plastic Bags and other film plastics—these cannot be included in your curbside recycling. They get wrapped around the machinery where your recycling is processed. Some local grocery stores will take these back for recycling.

Clamshell Plastics and other to-go containers—these are not recyclable curbside. They should be placed in your garbage.

Paper and Plastic Coffee Cups and other to-go cups—these are not recyclable curbside. These should be placed in your garbage along with the corresponding lids and/or straws.

Styrofoam and #6 plastics—these are not recyclable curbside. They can be placed in your garbage. You can recycle them at Pride's recycling depot in Sherwood (\$5 flat fee per car load) or Agilyx in Tigard for free.

Frozen Food Boxes—these are not recyclable. They should be placed in your garbage.
