We offer a lot of extra services you may not be aware of. Check it out!

Bulky Item Collection: We collect large items that would not otherwise fit in your garbage cart such as furniture or appliances. There is a fee for this service, which varies based on the item(s) picked up. We send a separate truck to get these larger items. Contact our office and request a "bulky item pick up."

Drop Box or Temporary Containers: You can order a drop box or temporary container for projects such as: roof replacement, garage clean out, yard projects, and more. **Note:** The 3rd party drop box companies that you may find online have to contact us to order the service because our service areas are franchised. Those companies then upcharge you for the services that we are providing, which means the price you pay is above the franchised rates set by your jurisdiction. Make sure you contact us directly to avoid being charged more than the rates that have been set in your jurisdiction.

Walk in Service: If you do not want to bring your receptacles to the curb for collection, we will come up and get them for you (and return them after they have been emptied). There is a fee for this service, which varies depending on your jurisdiction.

Extra Recycling Cart: Do you regularly have extra recycling? We can provide you with an additional recycling cart at no charge.

Extra Yard Debris Cart: We can provide you with an additional yard debris cart, there is a fee for this service. If you only occasionally have extra yard debris, it is more cost effective for you to put out extra paper yard debris bags (no plastic bags). But if you have extra yard debris on a regular basis, it can be more cost effective for you to pay for an additional yard debris cart.
