***City of Beaverton and City of Hillsboro customers:**

Beaverton and Hillsboro have a yard debris and food compost program, which means that in addition to the materials on the YES list above, you may also include food waste and other, additional items in your cart. For a full list of acceptable materials please visit:

City of Beaverton: www.beavertonoregon.gov/1945/Compost-at-Home

City of Hillsboro: www.hillsboro-oregon.gov/home/showdocument?id=25342

Please note: the expanded compost program only applies if your home is within the Beaverton or Hillsboro city limits. It does not apply to your service area if you have a "Beaverton" or "Hillsboro" address but are located in Unincorporated Washington County. If you are not in the City of Beaverton or City of Hillsboro, your yard debris is processed at facilities that cannot accept food waste so it's important you do not include food in your yard debris cart.

If you are unsure if you are a part of the food waste program, please contact us to verify what can be included in your cart.

[Check out the extra services we offer!](#)

Extra Garbage Bags: Did you do some spring cleaning and end up with a couple extra bags? We can pick those up! Just place them next to your garbage cart on your pick up day and the driver will pick them up. There is an extra fee for the extra bags, which varies depending on your jurisdiction.

Extra Yard Debris: Are you finding you have extra yard debris? We can help! You are able to set out extra yard debris in biodegradable paper bags or a personal tote and we will pick them up. You are also able to get a 2nd yard debris cart at your home. There is an extra fee for the extra bags or 2nd tote, which varies depending on your jurisdiction.

Bulky Item Collection: We collect larger items that don't otherwise fit in your garbage cart such as furniture or appliances. We send a separate truck on your service day to pick these items up so it needs to be scheduled in advance. Contact us for more details on charges and scheduling.

Drop Boxes and Temporary Containers: We offer drop box or temporary containers for projects such as: roof replacements, garage clean outs, yard projects and more. **Note:** The 3rd party drop box companies that you may find online have to contact us to order the service because our service areas are franchised. Those companies upcharge you for the services that we are providing, which means the price you pay to them is above the franchised rates set by your jurisdiction. Make sure you contact us directly to avoid being charged more than the rates that have been set in your jurisdiction.
