Do you have a large item to dispose of?

We can pick up your bulky items (things that would not otherwise fit in your garbage cart) from your home. There is a fee for this service, which varies based on the item(s) picked up. We pick up items like TVs, couches, fridges, washers and dryers, stoves, toilets, mattresses, microwaves, lawnmowers, basketball hoops, hot water heaters, and more!

This service is done by a separate driver. You must contact our office to schedule the bulky items to be picked up, prior to placing them curbside. Once you have called to schedule your bulky item pick up, you will place your items curbside by 6am and our driver will haul them away.

Some of these larger items, the ones that are recyclable, can be dropped off at our recycling depot. For a full list of which items can be recycled at our depot and any applicable charges for drop off, visit our website at <https://pridedisposal.com/resources/recycling-drop-off>. Please note we do not accept garbage from the public at our facility.

[Subscribe to Pride Disposal's E-newsletter!](#)

Have you signed up for our e-newsletter yet? This is a great way to stay up to date on holiday collection schedules, weather delays, recycling information, and more! This is the quickest way for you to receive relevant information about your services.

You will receive notification in advance if we're coming to pick up on a holiday or if your services are delayed for any reason. You'll also know if the weather has impacted our ability to provide service, and if so, when we'll be able to make up that service.

Typically, we only send one email a month, unless there are delays such as weather or hazardous air quality that require more frequent notifications. We won't spam your inbox!

DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Document Shredding offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$5. Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you. If you have more than one grocery bag size to shred, we also offer a red bin or 60-gallon tote size for shredding on-site.

Please call Pride Document Shredding at 503-625-0725 for pricing and other information on services available. You can also visit our website: www.prides shred.com.
