Drop Boxes and Temporary Containers

Ready to start your next house project? We offer drop boxes or temporary containers for projects such as: roof replacements, garage clean outs, yard projects and more. This time of year we see a higher demand for our smaller temporary containers, so make sure to contact us early!

Note: The 3rd party drop box companies that you may find online have to contact us to order the service because our service areas are franchised. Those companies upcharge you for the services that we are providing, which means the price you pay to them is higher than the rates set by your jurisdiction. Make sure you contact us directly to avoid being charged more than the rates that have been set in your jurisdiction.

2021 Tigard Chamber Business of the Year!

The Tigard Chamber of Commerce held the Tigard Shining Stars Community Awards event on Friday, April 30th. Pride Disposal is very honored to have received the 2021 award for the Business of the Year! We take great pride in serving our communities and assisting with events such as: Relay for Life—Washington County, Festival of Balloons in Tigard, Robin Hood Festival in Sherwood, Boy Scout troop Christmas tree collection events, sponsoring youth sports teams, and many more worthwhile community endeavors.

Thank you to the Tigard Chamber for selecting Pride Disposal as your 2021 Business of the Year!

This award is truly a reflection of the hard work and dedication of all of our employees at Pride. They provide essential services to you every day and their work makes this award possible!

Curbside Plastic Recycling

Place the following plastic items in your recycling cart if they are 6 ounces or larger. Rinse all containers before recycling. Remove lids and discard them in your garbage. If the plastic container previously held hazardous material such as pesticides, do not include it in recycling.

Plastic Bottles

Dairy Tub

(Yogurt, Margarine, etc.)

Milk Jugs

5-Gallon Buckets

Not pictured: rigid plastic plant pots (that do not crinkle when squeezed) can also be recycled curbside.

Note about Pride's Recycling Depot: Of the above plastics, only #1 and #2 plastic bottles are accepted in commingled recycling at the Pride Depot.

DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Document Shredding offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$5. Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you. If you have more than one grocery bag size to shred, we also offer a red bin or 60-gallon tote size for shredding on-site.
