Common Contaminants found in Recycling and Yard Debris Carts

These are some of the more common contaminants that we see regularly in our recycling and yard debris carts, this list is not inclusive of all the things that are not allowed. Please **do not include** these items in your curbside carts.

- Styrofoam*
- Clamshell plastics (berry containers), to-go containers
- Packing peanuts
- Toilet paper, paper towels, paper plates, napkins, or tissues
- Plastic plates, utensils, cups

^Many local grocery stores accept film plastics for recycling at no charge. Most containers are located at store entrances.

*We accept styrofoam at our Recycle Depot for a fee of \$5/car load.

- "Compostable" to-go containers
