Holiday Pick up Schedule

This year both Christmas Day and New Years Day fall on Sunday, which means there is **no delay in collection** for those weeks. The only holidays our drivers do not work are Christmas Day and New Years Day.

There is also no delay in collection the week of Thanksgiving.

2023 collection calendars available online after Dec. 31, 2022.

The online calendar lookup on our website will be updated with 2023 calendars after December 31, 2022. Scan the QR code to pull up our online calendar lookup.

In the interest of reducing paper waste, we will not be automatically mailing out collection calendars. If you prefer to have a calendar mailed to you, please contact our office and we would be happy to mail or email one to you. We mail out calendars by request only.

Christmas Tree Recycling

If you would like to have your Christmas tree collected and you have yard debris service, you can put your tree in your yard debris cart on your scheduled yard debris day. Place the tree inside your yard debris cart (or in place of your cart) and it will be picked up no charge. If you put your tree out in addition to your yard debris cart there is an extra fee. If you do not have yard debris service, please call our office to make arrangements for the tree to be removed.

All trees over 5' must be cut in half. If the tree is over 4' wide, it also needs to be cut down.

All lights, ornaments, etc. must be removed. Wreaths are accepted if all wire framing and decorations are removed. Flocked trees are not accepted as yard debris but can be picked up as garbage.

If you're having a non-profit organization pick up your tree, please do not schedule that pick up on your Pride Disposal pick up day to avoid any confusion.
