Reduce, Reuse, Recycle!

Reducing and reusing are more impactful than recycling. On average the American consumer produces just under 5 pounds of trash each day, while a family can create approximately 18 pounds a day.

How can you help to reduce the waste you produce? Try swapping out single use cups for your drinks with reusable drink cups. Try swapping out one-time plastic zip-sealed bags for food storage with reusable glass or BPA-free plastic containers. Not only does investing in reusable containers help reduce waste, it also saves money!

Another way to reduce waste: instead of using disposal napkins or paper towels, try upcycling some old fabrics into reusable napkins and reusable towels. This also helps reduce clothing waste by repurposing old clothes that could otherwise end up in the landfill.

Recycle+ Services!

We are now offering an optional expanded recycling service for hard to recycle items. This service is currently available to residential customers who live in Urban Unincorporated Washington County and King City.

This service will be available in the City of Beaverton as of 11/1/22 and we're working with our other jurisdictions on a similar program!

In addition to your standard curbside recycling service, with this optional service you can recycle hard to recycle materials including:

- Film Plastics
- #1 PET Clamshell Plastics (must be clear and hinged on one side)
- Textiles
- Compact Fluorescent light bulbs

If you're interested in learning more, visit our website! There is an additional charge for this service.

[Subscribe to Pride Disposal's E-newsletter!](#)

Have you signed up for our e-newsletter yet? This is a great way to stay up to date on holiday collection schedules, weather delays, recycling information, and more! This is the quickest way for you to receive relevant information about your services.

You will receive notification in advance if we're coming to pick up on a holiday or if your services are delayed for any reason. You'll also know if the weather has impacted our ability to provide service, and if so, when we'll be able to make up that service.

On average, we only send one email a month, unless there are delays such as weather or hazardous air quality that require more frequent notifications. We won't spam your inbox. We promise!

DOCUMENT DESTRUCTION

Shred old documents and paperwork securely.

Pride Document Shredding offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$5. Purchase a paper bag (grocery bag size) for \$5 from the Pride office. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you. If you have more than one grocery bag size to shred, we also offer a red bin or 60-gallon tote size for shredding on-site.

Please call Pride Document Shredding at 503-625-0725 for pricing and other information on services available. You can also visit our website: www.prideshred.com.
