Fully Electric Garbage & Recycling Trucks

On Earth Day, Tuesday April 22nd, we hosted an unveiling event for our two new fully electric collection trucks. These two fully electric trucks will primarily service residential households, providing clean and quiet services for the communities we serve.

The two McNeilus Voltterra ZSL trucks were designed to meet stringent environmental regulations and hold a zero-emission certificate from the US environmental Protection Agency. They come with extensive safety features including: a 360-degree camera system, blind-

spot monitoring, lane departure warnings, and advanced emergency breaking. These features will improve the efficiency and safety of our on-route collection.

We have been converting our fleet from diesel trucks to compressed natural gas (CNG) trucks since 2011 and these electric trucks are the next step in our commitment to reducing emissions.

We are so excited to have these new trucks in our fleet. Keep your eyes open for these new trucks in your neighborhood. You'll notice they are a lot quieter!

Recycle+ Services!

In addition to your standard residential curbside recycling service, we offer an optional recycling service for hard to recycle items including film plastic and #1 clamshell plastic. There is an additional charge for this optional service. It's currently available to residential customers who live in Urban Unincorporated Washington County, King City, Tigard, Beaverton, Durham, and Sherwood.

In addition to your standard curbside recycling, with this optional service you can recycle hard to recycle materials including:

- Film Plastics
- #1 PET Clamshell Plastics (**must be clear and hinged on one side!**)
- Textiles
- Compact fluorescent light bulbs

Document Shredding

Pride Document Shredding offers shredding services at your home or business, with one time, occasional, or regular shredding. Secure drop off is also available at the Pride Depot in Sherwood. Whether at your home or place of business, disposing of intact confidential information is a risk. Contact us to have it shredded and protect yourself and/or your customers from this risk.

Pre-paid shred bags for \$7. Purchase a paper bag (grocery bag size) for \$7 from the depot, reminder our depot is closed for lunch from 12pm to 1pm. Take the bag home, fill it with paper to be shredded, and bring it back to the recycling depot to be shredded when it is convenient for you. If you have more than one grocery bag size to shred, we also offer a red bin or 60-gallon tote size for shredding on-site.

Please call Pride Document Shredding at 503-625-0725 for pricing and other information on services available. You can also visit our website: www.prides shred.com.
